

STATE OF IOWA  
DEPARTMENT OF COMMERCE  
UTILITIES BOARD

IN RE:  DYNEGY MARKETING AND TRADE	DOCKET NO. A-03-3568 (CGP-01-4)
--	------------------------------------

**NOTICE OF CANCELLATION OF CERTIFICATE**

(Issued July 20, 2004)

Certified natural gas providers are required to file annual reports with the Board pursuant to 199 IAC 19.14(5)"c." In early January 2004, the Utilities Board (Board) mailed an annual report form to Dynegy Marketing and Trade (Dynegy), a certified natural gas provider. The form was mailed to Dynegy at the address on file with the Board. Dynegy failed to return the form.

On May 10, 2004, the Board mailed a letter to Dynegy notifying it of its failure to file the required annual report. The letter constituted written notice of a specific violation of a Board rule pursuant to Iowa Code § 476.51. Dynegy has not responded to the letter.

Based on this information, it appears Dynegy is not providing competitive natural gas services in Iowa and should not be permitted to continue to hold a certificate for that purpose. Therefore, the Board will cancel the certificate issued to Dynegy 30 days from the date of this order unless the Board is contacted by Dynegy and provided with appropriate information indicating why its certificate should not be canceled. The filing should include an annual report showing that Dynegy had

revenues from certificated services in 2003 or a statement that it did not have such revenues in 2003 but has reasonable plans to offer in the near future services that are likely to produce such revenues.

Dynegy should file its updated information in this docket. If Dynegy makes a timely filing as described above, its certificate will not be canceled until further order of the Board.

**IT IS THEREFORE ORDERED:**

Dynegy Marketing and Trade is directed to contact the Board with updated corporate information within 30 days of the date of this order. If the Board does not receive a response from Dynegy Marketing and Trade within 30 days of the date of this order, the certificate as a competitive natural gas provider issued to Dynegy Marketing and Trade pursuant to Iowa Code § 476.87 by the Board will be deemed canceled without further action by the Board. A courtesy copy of the annual report form is enclosed.
